Message

ROBERT LAU HUI YEW
ORGANIZING CHAIRMAN

On behalf of the organizing committee of the 45th Anniversary Celebration of Sibu YMCA, I welcome all brothers and sisters of Christ who come from far and near in joining us to celebrate the anniversary.

It's been 45 years since the formation of Sibu YMCA. We started with a humble beginning. Even though we have grown in terms of our physical assets, we are to be reminded that it is spiritual growth that YMCA is aiming for. It is the spiritual growth among the urban young that YMCA was formed in the first place.

Sibu has its firm roots in Christian faith from over a century ago when new migrants arrived from China to set up home here. It is from that Christian beginning that eventually gave rise to Sibu YMCA 45 years ago.

Sibu Town started to experience economic boom from the 1950s to the 1980s. It was also a place where there were many young working adults as the population of the town increased rapidly from the 1950s to the 1980s. Most of this increase came from the semi rural and rural agriculture based Chinese families. Many of these young families moved to town from the rural farms partly in search of economic opportunities, convenience and also because of security especially during the curfews in the 1970s. That was when YMCA was formed; it provided a platform for many Christian's youth to take part in social activities that are healthy to the body, mind and spirit.

Sibu is presently experiencing another population surge from the rural urban migration even though the Chinese population started to shrink. This new group consists predominantly of the Dayak community from the longhouses. This can be seen in the tremendous growth of satellite residential estates around Sibu such as Kemuyan and Sibujaya. Even in the old part of Sibu Town, we can see them renting the old houses. Many of them are young families. YMCA Sibu has to look into providing for this group of urban youth.

The theme for this year 45th anniversary celebration is:

"Strengthen faith Empower youth"

Hebrew 11.1 says "Now faith is the substantiation of things hoped for, the conviction of things not seen."

This is a very powerful verse in the Bible. I can do no better than to refer to writings of Witness Lee in revealing the meaning of this verse.

The book of Hebrew in the New Testament charges the Hebrew believers, who were in danger of shrinking back, to live, to walk, to go on, by faith. Similarly we also need to strengthen our faith in our daily living.

The word "substantiate" is "substance" in verb form; to substantiate is to give substance to the reality of the substance not seen. The word "substance" in Greek also is also used to mean "assurance" and "confidence" (in which one knows that he has a sure foundation). Moreover it can translated as "confirmation", "reality", "essence" (which denotes the real nature of things, as opposed to the appearance). This is the action of faith.

The conviction of truth in Greek can be translated to mean "evidence, or proof".

All things hoped for are things not seen. As people of hope, we should aim our life not at the things that are seen but at the things that are not seen; for the things that are seen are temporary, but the things that are not seen are eternal. Hence we walk by faith, not by appearance.

The second part of the theme - Empower Youth- speaks for itself. YMCA is an organization for the young people. We need to continuously empower the young. The best way to do that is to give them opportunities and responsibility.

The bibles are full of examples where young people were empowered. Joseph, the son of Jacob was given responsibility as overseer in the house of the Captain of the Guard in Egypt. He was only 17 (Genesis 37.2). David was only a boy when he killed a Giant, Goliath. Jehoash was only 7 when he became King of Judah (2 Kings 11:21). Josiah was 8 years old when he became King in Jerusalem (2 Chronicles 34:1-2).

I wish to also thank the working committee for their hard work in putting together the activities for this celebration, namely, Health Screening and the Cooking Competition cum Welcoming Dinner.

Finally, I once again thank all the sponsors, committee members and friends for making this 45th anniversary celebration a meaningful and memorable one.

筹委会主席
刘会耀律师

在此我谨代表诗巫基督教青年会第45周年庆典筹备委员会欢迎所有来自本地及外地的主内弟兄姊妹们和我们一起庆祝这个周年庆典。

诗巫基督教青年会从创立至今已45年了。我们的开始是不起眼的。即使我们在硬体设施上有很大的扩展，但是我们不可忘记诗巫基督教青年会的目标乃是着重心灵的成长。诗巫基督教青年会当初创立的目的就是为了市区青年人的心灵成长。

诗巫基督徒的信仰有坚定的根源是因一个多世纪前，当来自中国的新移民抵达诗巫而定居下来，基督教就因此跟着在这里扎根，并也引起诗巫基督教青年会在45年前的开始。

于1950至1980年间，诗巫的经济开始繁荣起来。在这期间，诗巫的人口也跟着激增，而当中有许多正在就业的青年人。这些青年人大多数来自乡区或半郊区的华人农务家庭。他们因着工作的机会，市区的便利及安全问题尤其是1970年间的禁宵时期，都渐渐的从乡区搬到市区来。当时诗巫基督教青年会就提供一个平台让青年基督徒们来参与对身心灵有益的社交活动。

近年来，虽然华人的人口在缩减中，诗巫再次面对从乡区迁移到市区的人口激增，而这新的一组主要是来自长屋的伊班族群。这可以从诗巫地区卫星住宅区的发展趋势略知一二，例如：肯木央和诗巫再也。就是一些在市区的旧屋子也可以看到许多伊班租户。当中有好多属于年轻家庭，这也应当是我们诗巫基督教青年会要去关注的一群年轻社体。

这次45周年庆典的主题是：

“巩固信仰，赋权青年”

希伯来书 11:1 [信就是所望之事的质实，是未见之事的确证]。这是圣经中很有力的一节经文。我不能有更好的形容除了参考李常受弟兄的著作来揭示这节经文的信息。希伯来书的使徒保罗提醒那些面对信仰危机的希伯来信徒们要凭着信心来生活及向前迈进。同样的，我们也需要在日常生活中继续巩固我们的信仰。

此字实质原文与本质，确信，自信（知道有稳定的根基）。此外，此字也可释为证实，实际，素质（意指事物里面的实质，于外表相对），根基，或支持的根据。此字的本意是本质但在此乃指将本质，就是所望之事的本质，质成现实，所以释为质实。质字是作动词用，即将未见之本质的实际实质出来。这就是信的作为。所以说，信是所望之事的质实。

所望之事就是未见之事。身为有盼望的社体，我们的生命目标应当建立在那未见之事上，因为所见的是暂时的，那未见之事却是永恒的。因此，我们应当凭着信前进而不是凭着外在因素。

周年庆典主题的第二个部分 - 赋权青年，这明显说明诗巫基督教青年会本身就是一个属于年轻人的机构。我们应当继续提升我们的年轻人。最好的方法就是赋予他们机会和责任。

圣经中有许多年轻人被充权，被重用的例子。雅各的儿子约瑟，被赋予重任成为埃及的宰相，当时，他只有17岁(创世记 37:2)。当大卫杀败巨人歌利亚的时候还只是一个孩童。约阿施登基为犹太王时只有7岁(列王纪下 11:21)。约西亚作耶路撒冷王时只有8岁(历代志下 34:1-2)。

我还要感谢工作委员会在组建这个庆典的活动，即健康检查和烹饪大赛暨欢迎晚宴活动的辛勤工作。

最后，我再次感谢所有的赞助商，委员和朋友们，使这个成立45周年庆典活动富有意义而难忘的。

**PRESIDENT OF YMCA, Sibü
TEMENGGONG DATO VINCENT LAU LEE MING**

First of all, I would like to extend my heartiest congratulations and best wishes to all members of YMCA Sibü on celebrating the 45th anniversary.

Founded in year 1972, YMCA Sibü's growth over the past decades has been marvelous. Its exemplary commitment in rendering community service and promoting intercultural understanding, fellowship and peace is truly an inspiration to the YMCA fraternity throughout Malaysia. Its relentless endeavors in the building of the body, mind and spirit as well as the strengthening of faith of our young Christians through youth empowerment activities have truly depicted the three aspects which are symbolically represented by the red triangle of YMCA logo.

Anniversaries are opportunities for recollections of the years gone by and positive reflections for the years ahead. Past 45 years have been successful years in some many ways, defined by a kaleidoscope of remarkable achievements, supportive partnerships and enduring fraternal bonds. There have also been some odd stumbling blocks along the way. Yet despite these difficulties and challenges, YMCA Sibü has travelled through the past decades - together, supportive, encouraging and enduring - and emerged strong.

As we take the time to express our gratitude for reaching an important milestone on this special occasion, we look forward to building and strengthening our fraternal bonds even further and taking up new challenges in the years ahead. We believe YMCA Sibü will continue to grow stronger with time and achieve greater heights.

Our best wishes for continued success to everyone associated with the YMCA Sibü.

**PRESIDENT OF NATIONAL COUNCIL of
YMCAs MALAYSIA & YMCA Ipoh
DATO' DANIEL TAY DPMP, JP**

It is with much pleasure that we in the National Council of YMCAs, Malaysia (National Council) congratulate the YMCA of Sibu, Sarawak (YMCA Sibu) and President Temenggung Dato Vincent Lau on the 45th Anniversary celebrations of YMCA Sibu.

Our Lord has blessed YMCA Sibu tremendously in terms of providing very capable leaders both in administration and dynamism. The newly upgraded campsite will benefit young people to levels never thought of before. In collaboration with the National Council, more visitors are expected to visit YMCA Sibu and even the various places of interest in Sarawak.

This year alone, we in the National Council rejoiced with the Kindergarten Section of YMCA Sibu during her Teachers' cum Parents' Day celebrations. Then red packets were given out to children regardless of race and religion during the recent Chinese New Year festivities. The Senior Citizens' Club would not be outdone by the kindergarten. The ladies in the Senior Citizens' Club visited old folks' homes to inter alia, donate food and money. The general public will not be left out as well with free medical health screening being planned for later this year.

So on behalf of the National Council of YMCAs, Malaysia; allow me to say SYABAS to YMCA Sibu and her President, YBhg. Dato Vincent Lau. May you continue to run after the heartbeat of our Lord and may God continue to shower His blessings upon YMCA Sibu.

**YMCA of KUALA LUMPUR
PRESIDENT**

MR. LEO LESLIE ARMSTRONG AMW, PJK

"Peace be with you "

These are the four simple words Our Lord Jesus Christ chose to greet the Apostles. We have to be at Peace with ourselves and Peace with each other to live in Peace.

I am very happy and honoured to write a message for our brother organisation the YMCA Sibu, Sarawak for their Anniversary. Our current Youth and Children of today are faced with many challenges and distractions. The many challenges facing our Youth today are addiction to drugs, influence of the electronic media, peer group influence, cultural, religious and different ethnic backgrounds.

The role of the Y is to transform, empower and build the Youth through sound Christian values and teachings. The Spiritual foundation is our innate strength to combat and provide the building up of strong communities and develop a culture of Peace, Understanding, Respect, Harmony, Togetherness, Caring and Cooperation amongst the Youth as we live in a multi-racial and multi-religious society. This is primarily our sense of Purpose and Destiny in the work of the Y. We have to sow the seeds of Love.

Finally, I would like to congratulate and thank the members of the Organising Committee and the Council members headed by Temenggong Vincent Lau Lee Ming of Sibu YMCA for organising and celebrating their anniversary.

May God bless YMCA Sibu, Sarawak in his grace and blessings always.

**YMCA of PENANG
PRESIDENT
GEH CHENG Lok, DJN, PJK**

Penang YMCA would like to wish the President, Directors, Staff and members continual success in further developing their YMCA into a leading YMCA within the National Council of YMCAs in Malaysia.

THE SECRETARY'S COLUMN

Thanks to the Lord, our Sibu community is able to have one international Christian movement which is the only one existing in whole Sarawak i.e. YMCA

Under the leadership of the dedicated past presidents and their co-operative committee members, the YMCA of Sibu has indeed become more developed in certain aspects ever since it was registered in 1972.

A vote of thanks and recognition should be given to one particular dynamic past president, our late Datuk Robert Lau Hoi Chew for his selfless contribution to make YMCA, Sibu what it is today. Under him, the YMCA has expanded from its community service programmes to cater for the education of children too. He inspired Mdm. Teresa Lau to help to set up a kindergarten in a new residential area for low social economic community, mainly to help the children there to have the same opportunity of preschool education. Hence, Tadika Yakin Diri came into existence in 2003 with Mdm. Teresa Lau as the principal until today. Currently, the YMCA of Sibu owns a five-storeyed office building, a camp resort and a kindergarten. Dear Datuk Robert Lau Hoi Chew, your service and dedication to YMCA will never be forgotten!

Praise to Our Almighty God, who doesn't abandon His Christian movement, He gives us another efficient leader to succeed the wonderful work of our late Datuk Robert Lau Hoi Chew. The marvellous successor, Temenggong Dato Vincent Lau Lee Ming came to our rescue in 2010. Being a well-known philanthropist who is efficient and committed in his undertakings, Temenggong Dato Vincent Lau shouldered the financial burden when he came into the presidency post. Under his dynamic leadership and selfless Board members, a great transformation happened to YMCA of Sibu. Today, our association is in a better financial standing which enables us to carry out innovative ideas to transform our camp resort.

The Rave YMCA Camp Resort is now under the management of a professional body, Maps Services Camp Training and Consultancy Sdn. Bhd. on a contract basis commencing from January, 2016. Since then, the facilities of the resort have been improved and upgraded for better utility and enjoyment of the public. All this is possible due to the blessings of our Almighty God and the generous support of some patrons and donors.

The Board of Directors led by the President and working in collaboration with the Ladies' Section, the Senior Citizens' Club have revived successfully some of the old programmes of the association. Christmas Carolling By Candelight has become an annual event again presently. Youth Training Camp and fund-raising projects such as Joggerthon have been carried out too.

The present President, Temenggong Dato Vincent Lau also focuses on the enhancement of relationship with the other local YMCAs in Malaysia and those overseas. Since he came into presidency, he has paid visits to Hiroshima YMCA, Tainan YMCA and the National Council to exchange views and ideas for the betterment of the association. His diplomatic relationship with other YMCAs has enticed delegates from local and foreign YMCAs to come to Sibu for mutual interaction and understanding. Hopefully, our YMCA centre can provide more programmes to Sibu people then after gaining constructive ideas through these diplomatic visits.

With the combined efforts and dedicated services of our Board of Directors, committee members of Ladies' Section and Senior Citizens' Club, I believe our YMCA can achieve more goals and progress in years to come. Pray to Our Almighty God that YMCA of Sibu can make great impact on the lives of our young generation who will eventually render fruitful services to the world under the influence of YMCA's mission.

The theme of our 45th Anniversary Celebration, "Strength Faith, Empower Youth" will act as a constant reminder and stimulate us to accomplish our goal in our future doings.

I'm happy to say that YMCA Sibu is always working for the betterment of our community. Uphold the mission and vision of YMCA!

God Bless and regards,

Mdm. Teresa Lau

Hon. General Secretary.

TADIKA YAKIN DIRI AND ITS PROGRESS

Tadika Yakin Diri which is a kindergarten wholly owned by the YMCA of Sibu is another successful community project of the association.

Since its establishment in the year 2003, Tadika Yakin Diri has grown from strength to strength in various aspects under the efficient Board of Management, Headmistress and the dedicated team of teachers.

The Kindergarten first started by borrowing the premises of Thian Chin Primary School for its operation. But today thanks to the Almighty God, it has a three-storeyed building of its own situated in a vast compound which provides a conducive environment for children to study in. Over the years the facilities of the kindergarten have been improved gradually. It is now equipped with a children's playground, a mini-library, a computer-room, a kitchenette and a big hall.

Although Tadika Yakin Diri is a Chinese-based school, it attracts a lot of Bumiputera pupils. Here, the pupils from different background and races study harmoniously with no feeling of racial discrimination. This multi-racial kindergarten started with an intake of 58 students at first but the population has grown to about 200 now. The staff members have also increased in number.

According to the National Standard Curriculum of Preschool, the children can be taught 3 languages, Mandarin, English and Bahasa Malaysia which are integrated into their learning. Besides this, Tadika Yakin Diri feels the necessity to nurture the small children with programmes which can help to develop and strengthen their limbs, senses and co-ordination skills. Eventually, they will gain confidence to overcome challenges and difficulties in their learning process. This is why the kindergarten organizes various types of activities and competitions for the children. Moreover, the children are also exposed to activities outside the school, hoping to develop their social skills through interaction with other kids. Activities such as colouring contest, Singing Contest etc. are ways to discover the potential talents and interests of the young children.

With the co-operation of their parents and proper guidance, the children of Tadika Yakin Diri are capable of confronting challenges in their future learning. The strong foundation laid down in the kindergarten provides them with the basic learning skills which are the ultimate aims of preschool education.

THE STORY OF YMCA SIBU

In the mid 18th century, the Industrial Revolution in England generated a huge urban migration of young people to work in cities like London where the living and recreational conditions were very poor. Young men indulged themselves in drinking and immoral activities as their pastimes.

One sunny Sunday afternoon, two young men headed for an evening church service. As they were walking on Blackfrairs Bridge over the River Thomas, George Williams suddenly challenged his friend, Ted Beaumont, "Ted, are you willing to make a sacrifice for Christ?" Ted Beaumont consented.

That very evening, they decided on an action of courage, by convincing ten of the young men to meet in the upper room of a warehouse for Bible studies and prayers. From this meeting was born the Young Men'Christian Association (YMCA) which began to lead young men away from undesirable social vices to Bible reading and discussions, prayers and fellowships. Over the last 150 years, YMCA has grown into a big international youth organisation with over 12,000 associations and hostels in 148 countries, having over 26 millions members and helping youths to grow in Spirit, Mind and Body. YMCA came to Malaysia in 1905 with the founding of YMCA Kuala Lumpur.

During the early 70's, Sibu was already the home of a few international voluntary service organisations like the Jaycees, Rotary and Lions Clubs. At the same time, Christian churches like the Catholic, Methodist churches and the Church of England, besides other religious activities, had contributed much towards educational development in Sibu. The Methodist School and the Sacred Heart School had become the elite schools, educating hundreds of outstanding students who excelled in political, economic and social fields.

In 1972, a several Christian leaders like the late Rev. Peter Chew Kuo Ping, Dr. Eugene Teng, Rev. Lionel P.A. Muthiah, Mr. Hwang Cheng Hua, Rev. Joshua Bunsu, Mr. John Ling Hau Kee, Rev. Fr. Joachim Pang, Rev. Yii Teck Soi, Mr. Chieng Hie Kwong, Mr. Kong Sung Seng, Mr. Simon Tiong King Hoon, Mr. Roger Ong, Penghulu Chang Chung Ching, Mr. Lau Hieng Ing, Mr.

Michael Wong Ngee Khih, Mr. Stewart Karl, Mr. Choo Boon Huat and the late Mr. Paul Anding decided to form the Sibu YMCA to promote youth activities to enhance the development of Body, Mind and Spirit among the younger generation in our society.

Due to lack of funds and own premises, various activities were conducted in various mission schools' classrooms and canteens. Mr. Simon Tiong, who had exposure to the activities in YMCA Hong Kong during his tertiary education there, took the initiative to organise various activities like cookery, cake making classes and competitions with the assistance of his wife, Madam Wong. His old car virtually became the mobile junk store, transporting equipment needed for various YMCA activities.

On 17th January, 1976, a young chartered accountant, Mr. Robert Lau Hui Chew, was invited by Mr. Chang Chung Ching (now Penghulu) to attend the Annual General Meeting of Sibu YMCA at the office of its then President, Mr. Chieng Hie Kwong at the Hock Hua Bank Building, Sibu. The meeting was attended by only 24 persons and Mr. Robert Lau was elected or rather coerced into becoming President of YMCA Sibu. With only RM69.70 in the Association's bank account, the new President and his new committee charted out a new development strategy to develop Sibu YMCA. An annual activity programme was planned and various project chairman were appointed to implement the various projects throughout the year.

Our annual programme, including open-air carolling by candle-light to celebrate Christmas, and the Talent Discovery Night Concert to raise funds and promote cultural activities and prayer weeks became very popular and drew huge crowds. Our stage drama shows like "The Singing Ladies" attracted even thousands of the people from outside Sibu. We even managed to invite our open-air carolling by candle-light, Christian leaders like the Rev. Datuk Yao Ping Hua, the late Datuk Ting Ming Hoi and other church leaders to deliver messages of exhortation. And today, we are honoured by the presence of our Deputy Chief Minister, YB Tan Sri Datuk Amar, Dr. Wong Soon Kai and many community, political and church leaders as our Guests of

Honour. Our Christian drama, dance, singing cookery and drama competitions were, and still are, very popular.

During a trip to Ipoh to attend the Malaysian YMCA Sports Festival, a few of us including Messrs Simon Tiong King Hoon, Michael Wong Ngee Khiah, Peter Chai Siong Kee, Philip Ngu and Joseph Chew Decided that it was time for us to have our premises. The Board members all chipped in to rent the second floor at Lane 2, Lanang Road, Sibu as venue to be our own YMCA Centre which became too small by the time we officiated the opening ceremony.

In 1981, Mr. Lau Hieng Ing became our President and immediately planned to buy our own building. Our advisor, Rev. Dr. Teng Yu Chee successfully convinced the other bidder for a detached house at No. 50, Sie Poi Kieng Road not to outbid YMCA Sibu. We bought it at RM190,000 although we had only RM 10,000 in our bank. This purchase was made possible through generous donations from our patrons and the Sibu public.

After some minor renovations, our centre was buzzing with activities including extra programmes like holiday camps, tuition classes, Art & Drawing classes and Sunday school classes.

In 1986, our centre once again, became too small and the Board members decided to build a multi-storey centre. At this point, we must thank our beloved YAB Chief Minister for giving us his blessings to build our new centre after an appeal on our behalf by YB Tan Sri Datuk Amar Dr. Wong Soon Kai, Deputy Chief Minister. This new centre which costs RM1.2 million provides space for a child care centre, multi-purpose hall with two badminton courts, a teaching kitchen, classroom for skill learning and tuition, an administrative office, a swimming practice pool for children, an aerobics dance room and a canteen. With the blessings of our Almighty God, the generous support of our Government and patrons, our building fund raising project was a success, starting with only RM10,000 in our bank.

Our new Centre was declared open by our beloved Deputy Chief Minister, YB Tan Sri Datuk Dr. Wong Soon Kai on 6th August, 1989. It has been well patronised by the Sibu people from all walks of life, particularly the younger generation.

The concept of managing YMCA Sibu is modern, economical and effective with new ideas from our brother associations, Tainan YMCA, Hiroshima YMCA Japan, Chun Cheon YMCA Korea, Singapore Metropolitan YMCA and Orchard Road YMCA Singapore with whom we twinned in 1987, 1989, 1990 and 1995 respectively. We are now in the progress of negotiating with YMCA Hong Kong, New Zealand, Australia, China and Thailand for brotherhood twinings.

The success of our town centre prompted us to expand the centre and build a youth camp in the countryside.

After three years of planning and searching, we finally bought the 12 acre fruit garden at Jalan Kasturi, 33 Km Off Jalan Oya, Sibu. We consulted our international brother associations on the design and management of our youth camp and town centre expansion. These twin development projects are expected to cost about RM6 million. After lengthy discussions and brain storming, we decided to build the youth camp first while waiting for the approval from the relevant authorities on our town centre extension. The decision to build the youth camp first is also due to our response to our beloved YAB Chief Minister's vision of Sibu twin town, "Sibu Baru" in a nearby area. Our Camp Resort is surrounded with beautiful green virgin forest with Pasai Siong River meandering around it. The air is cool and clean, made more welcoming by the singing birds, the chattering of insects and the sweet fragrance of exotic flowers; it's indeed an ideal place for recreation and training seminars.

Today, the first phase of the youth camp is completed and declared open by our beloved YAB Chief Minister. This camp has two distinct zones, the sports and recreation zone for the day picnickers, and the seminar and training zone. We even changed the name from Sibu YMCA Youth Camp to Sibu YMCA Camp Resort with the inspiration of our Chief Minister and Deputy Chief Minister; it's our own humble contribution towards the development of the tourist industry in our state. Our recreation and sports zone boosts 5 gazebos, 1 basketball court, a multi-usage courts of tennis, netball and volleyball, 10 picnic pits, a fish pond, a canteen, a 1 km jogging track, one set of open-air keep-fit station, open air camp area and a natural river swimming

area. Our seminar training and accommodation zone boasts a fully air-conditioned main building with a multi-purpose hall with a seating capacity of 600 people and banquet for 400 people, hostel facilities for 240 people, 4 seminar rooms of capacity of 100 people each, a fully equipped kitchen, a dining hall for 300 people, a KTV coffee house, a prayer room, A coffee house, a mini store and toilets and visual facilities, 5 phone and fax lines, an outdoor drilling field, an aerobics dance field for 1,000 people, a grandstand and a mini hotel of 24 rooms complete with attached bathrooms and toilets, 2 queen-size beds in each room, colour TV, telephone, 2 chalets of 3 bedrooms complete with a sitting room and kitchen, comparable to Ekrans Delima Resort standard in Pulau Langkawi. The whole camp site is brightly lit and enhanced with outdoor piped music and P.A. system.

Our camp's next phase will include a two-tier swimming pool equipped with water slides, a water-fall, an indoor stadium with 3 badminton courts, 2 squash courts, sauna and gymnasium, an indoor children's paradise, a mini bird corner, suspending bridge and a natural canoeing lake.

Our new town centre expansion will boost a kindergarten, tuition classrooms, a domestic science centre, a well-equipped gym, an indoor aerobics studio, to name a few.

With a humble sum of RM69.70 in 1976, we have come a long way to achieving what we have today. How did we do it? The answer comes in many forms. They can be found in the blessings from our Almighty God; guidance and assistance from our Government and leaders; dedication of our hard-working Board of Directors; the faith and commitment of our various committee and members as well as the tremendous generosity of the Sibu people, particularly our patrons who contributed generously towards our construction cost in what we fondly call "The Great Spirit of the Sibu People".

We must also express our heartfelt appreciation to all our donors, particularly a few outstanding patrons led by our distinguished patron. Y. Bhg. Datuk Tiong Hiew King who had been giving us the most important support and the much need confidence as the first donor and starter of our fund raising campaign for our first town centre

and also our camp resort. With the shining example provided by Y. Bhg. Datuk, we went on to successfully appeal to many other donors.

Our outstanding Patron, Y. Bhg. Datuk Lau Hui Kang is famous for his humble attitude of donating with a friendly and encouraging smile.

Our distinguished Patron, Y. Bhg. Tan Sri Datuk Ting Pek Khiing's legendary achievement in business needs no introduction and his contribution towards charitable work in also legendary and it was not was surprising therefore, that Tan Sri transplanted a mini hotel of 30 rooms from the world famous Delima Resort Langkawi to our camp in the blink of an eye!

Another distinguished Patron, Mr. Lau Swee Nguong, is a very low key philanthropist who lives a simple and self-restricted life with a big and generous heart towards charitable and educational projects.

There are many other generous people including Messrs Soon Hup Construction, our main contractor, whose names are too numerous to mention and who are also our prime driving forces in the realisation of our dream.

YMCA Sibu's facilities are available to all fellow Malaysian regardless of their religion, race or social status. It is a people's place and our charges are very reasonable as we are a non-profit making bo61dy.

YAB Chief Minister, YB Deputy Chief Minister and all distinguished guests, we need your continuous blessings, guidance and supports, particularly as we are still short of millions of ringgit as we strive towards realising our YMCA Sibu vision.

But we are confident that, with this tremendous pooling of personalities, resources, selfless contribution of effort and times and most importantly, a collective sharing of this noble vision, YMCA Sibu will overcome all obstacles. Thank you for your time.

诗巫基督教青年会简史

十八世纪中期，英国的工业革命，造成了大量年轻人涌入大城市工作，比如伦敦，可是那里的生活与康乐条件依然落后。青年人沉迷于饮酒与不道德活动来消遣他们的时间。

在一个炎阳高热的周日下午，两位年轻人一起去参加黄昏礼拜祈祷，当他们走过泰晤士河毕拉华斯大桥时，佐治威斯突然灵机一动，向他的朋友标文德发出挑战：“你愿意为基督作出牺牲吗，后者欣然答允。”

当晚，他们更鼓起勇气，以实际行动来实现他们的理想，逐说服了十位青年人在一间栈房的二楼相聚，查读圣经及祈祷。在这个会议中，就成立了基督教青年会，带领着青年人远离社会不良的恶习，倾心查读圣经，进行讨论会、祈祷会及团契聚会。在过去一百五十年，基督教青年会会不断成长壮大，俨然成为一个国际性的庞大青年组织，在全世界的一百四十八个国家中拥有一万两千个公会及宿舍，会员中数达到两千六百万，引导着青年人朝向德、智、体三方面的健全发展。基督教青年会是于一九零五年引进马来西亚而在吉隆坡成立了基督教青年会。

七十年代，在诗巫这个砂州中区城市已播下了几个国际自愿服务团体的种子，例如青商、扶轮社及狮子会。与此同时，基督教会，诸如天主教、卫理教以及英国圣公会，除了展开宗教活动外，也对诗巫的教育发展贡献良多。卫理与圣心学校已俨然变成培育英才的主流学校，桃李满天下，在政治、经济与社会领域里大显身手，展露才华。

时至一九七二年，几位基督徒领袖，例如已故周国聘牧师，庞征鸿牧师、钱惠光、江顺生、邓至歧牧师、佐华蒙苏牧师、余泽瑞牧师、张锦芬、本固鲁张宗清、刘贤英、王圣德、黄宜琴、史提越卡尔、朱文发及已故保罗安丁，毅然决定筹组诗巫基督教青年会，加强我们社会的青年人的德、智、体发展。

由于缺乏经费及自己的会所，故使到许多的活动都要在教会学校的课室和餐厅举行。早期在香港深造的张锦芬已对香港基督教青年会的各项活动有所认识，首先发起推动烹饪、蛋糕制造、美容班及其他赛项目更由他的太太协助，而他老旧的一部汽车常常也

变成流动的器具藏之地方，以推动行各项YMCA的活动。

一九七六年正月十七日，一位年轻有为的渣打会计师刘会洲先生被本固鲁张宗清邀请参加于其主席钱惠光先生在福华银行大厦内召开的诗巫YMCA常年大会。仅有二十四人出席这项大会，而刘会洲先生就在没有其他选择之情况下接受当选为诗巫基督教青年会会长。当时的诗巫基督教青年会的银行来往户口仅剩六十九零吉七角马币，但新上任的会长及其新理事会还是非常坚决地拟定了新的发展策略来带动诗巫基督教青年会的发展。一个常年活动纲领拟就出来。各项活动的筹委会主席也受委任以推动整年的活动计划。

我们常年的活动，包括露天烛光圣诞庆祝会，天才文娱晚会来筹募基金及促进文化活动和祷告周筹都是家喻户晓，人人皆知，同时吸引大批观众夹道观赏。我们的舞台剧表演，比如百花齐放，百鸟争鸣的“双女情歌”也吸引成千上万观众的欣赏，掌声雷动，好评如潮。我们早期的圣诞烛光晚会也邀请基督徒领袖，好像拿督姚炳华，已故拿督丁明惠及其他教会领袖发表演说，共勉共励。而现在我们非常荣幸的得到尊敬的本周第一副首长丹斯里拿督阿玛黄顺开医生以及一些本市政治社会及宗教领袖为主宾。我们的基督徒戏剧比赛、舞蹈比赛、歌唱比赛、烹饪比赛和舞台剧的知名度还是不减当年。

一九八零年，我们几个人包括张锦芬、黄宜琴及蔡祥基等一去怡保参加马来西亚基督教青年会体育嘉年华会时，决定这是我们拥有自己会所的时候了。于是理事会成员们同意租下诗巫南兰律第二巷一间店屋三楼作为我们的会所，但自从正式举行开幕礼后，我们深感它太过狭小。

一九八一年，刘贤英挺身而出，担任本青年会会长，立即策划购置自己会所建筑物。在本青年会顾问邓玉歧博士的说服下，我们成功地使其他叫价者不要抬高价格，购置了位于施培坚路50号的一间独立房屋。虽然当时我们在银行的存款仅有一万零吉马币，但以十九万零吉买下这间会所。我们非常感激本会赞助人及诗巫慷慨的公众人士鼎力捐献，

促使我们的购置会所义举获得成功。

经过轻微的装修后，我们的中心就成为本会例常活动的场所，再配合举办其他活动例如假期生活营、补习班、绘画班及周日学校等等。

一九八六年，我们的中心再次显得太过狭小，于是理事会作出重大决定建造一座多层建筑物。我们要感激可敬的本州首席部长批准本会建造新的会所中心。这项请求是通过我们可敬的副首长丹斯里拿督阿玛黄顺开医生代表本会申请。这座新会所中心斥资一百二万零吉，提供了完善儿童护理中心，一个多重用途的大礼堂，拥有两个羽球场、教导烹饪的厨房、技能训练与补习的课室、行政办事处、一个教导儿童学习游泳的游泳池、健美操舞池及一个餐厅。在上主的祝福和政府与赞助人的大力支持下，本会筹建会所基金运动获得热烈响应，顺利达到我们的目标。尽管当我们推行这项计划时，银行只有区区一万零吉存款。我们的新中心是于一九八九年八月六日邀请我们可敬的副首长丹斯里阿玛黄顺开医生正式主持开幕典礼。位于施培坚路的新会所中心深获诗巫各阶层人民，特别是年轻一代的热烈响应与爱护。

管理诗巫基督教青年会的概念是采取我们姐妹会的现代化，经济化及有效率的新知识，例如台南基督教青年年会、日本广岛基督教青年会、韩国。

我们市区中心扩建工程也包括一间幼稚园、补习班教室、一个家政中心、一个设备完善的健身间、一个室内健美操体育馆等。

从一九七六年，只有七十零吉的资金开始，我们历尽了漫长的岁月与艰辛的道路，已达到了今日我们所拥有的一切。我们怎么样发达呢？当然其答案是来自我们上主的祝福、政府及其领袖的指导，政府部门的协助，理事们的热忱与努力工作。各工作小组及会员们的紧密协调以及诗巫公众人士们慷慨解囊，特别是我们的赞助人大力捐助我们的建筑基金，因而被称为“诗巫人民的伟大精神”所惠赐。

我们应该衷心感谢全体的赞助人这么鼎力资助，尤其是几位非常杰出的热心社会事业的

企业家。例如拿督张晓卿是我们的首位赞助人，为我们市区会所中心及我们的渡假营的筹款运动登高一呼，抛砖引玉，给予我们最重大的支持与信心。有了拿督张晓卿的良好榜样，促使我们有更坚强的信念去寻求第二位赞助人。接着义款纷至沓来，会所及首期渡假营顺利建成。

我们另一位非常杰出的赞助人，拿督刘会干热心公益，也不落人后，常以捐款面露鼓励的笑容及亲切友好的谦虚态度见称。

我们尊敬的赞助人丹斯里拿督陈伯勤，他在事业上传奇性的成就，闻名国内外，而他捐献给社会福利事业也是给受惠者带来传奇性的惊奇。丹斯里陈义不容辞地为YMCA渡假营在极短的时间内，捐建一间拥有三十房间媲美世界闻名的本国浮罗交怡市丽马渡假村同样设计的旅馆。

本会还有一位杰出的赞助人刘瑞源先生，处世稳重、生活简朴、自制意识极高的慈善家，对于慈善与教育工作具有最大与乐善好施的心怀。

我们尚有许多慈善为怀的热心人士，包括我们的主要承包商顺合建筑有限公司，以及其他赞助人，不胜枚举，均是实现我们梦想的首要推动力。

诗巫基督教青年会的设备是开始此间全体马来西亚公民使用，不论他们的种族、宗教与社会地位。这是全民共同使用的地方，而我们的收费是非常合理，而非盈利的。

可敬的首长，副首长以及全体嘉宾们，我们殷切需要你们继续的祝福，指导与支持，尤其是我们仍缺乏数百万零吉去实现我们的宏愿。

我们深具信心，在汇合大量的人材，资源以及大公无私地贡献了不少的精力与时间，尤其是大家共同拥有的神圣宏愿的大前提下，诗巫基督教青年会将可披荆斩刺，克服重重困难，步入康壮的坦途。
